2. I have another job, can I still work for you?

Yes you can. If you already work in the NHS we cannot supply you into the same Trust via the Agency but we can provide you with work elsewhere. We supply both to the NHS and the private sector throughout Wales, so you can fit in the shifts and locations that best suit you. We have different shifts that you can fit in around your substantive post. We can advise you if you

Yes, however, it would be advantage for you to drive as we place in various locations throughout South Wales and relying on public transport can often limit where you are placed, especially at short notice. Yes. All individuals need to have a DBS Check. The cost of the DBS is £51.00, payable by you. However, if you are registered with the update service, we will need to see the DBS Certificate and do an online check with the DBS.

5. How many references do I need to supply?

We require 2 references. 1 reference must be from your current or most recent employer.

We place throughout South Wales within the NHS trust and Independent sector-Nursing Homes, Residential Homes and Secure Units. Placements are predominantly within the areas of Cardiff, Newport, Swansea, Bridgend, Abergavenny and Rhondda Cynon Taff. The level of care experience and current training you have will determine where we will place you. We will never place you in a setting that we feel is above your skill level. If you are already working for the NHS and hold a substantive post, we cannot place you there but we can place you in many other settings.
